BUCKNELL MEN'S GOLF TO COMPETE IN NCAA WEST REGIONAL AT TUCSON NATIONAL GC

For the first time since 1961, the Bucknell men's golf team will be competing in an NCAA Championship event. The Patriot League champion Bison will be in Tucson, Ariz., for the NCAA Regionals May 18-20. A total of 27 teams and six individuals not on selected teams were assigned to each of three regional sites. The Bison, coming off their first-ever Patriot League title, will play in the West Region at the Tucson National Golf Resort & Spa. Bucknell is seeded 27th in a region stacked with talented teams. Florida, Arizona State, BYU, East Tennessee State and Baylor are the top five seeds, followed by Alabama, host Arizona, San Diego State, North Carolina State and Washington.

"The guys are really excited about going to the NCAA's" said Jim Cotner, the Patriot League Coach of the Year in 2005 and 2006. "They want to see just what is out there at the next level. It is certainly going to be a different measuring stick for us, but I really think we are going to go out there for three days and be very competitive."

If the Bison can finish in the top 10, they will advance to the national championship May 31-June 3 at Crosswater Golf Club at Sunriver Resort in Sunriver, Ore.

Bucknell is one of two Patriot League teams that will be playing in the NCAA Regionals. Army, which finished second to Bucknell by two strokes at the conference tournament last month, received an at-large bid and will play in the East Regional at Lake Nona GC in Orlando, Fla.

The Bison are led by junior Charlie Waddell, who won his second straight Patriot League championship after shooting a 3-under-par 210 at the U.S. Naval Academy GC two weeks ago. A three-time all-conference performer, Waddell is averaging a solid 74.4 this spring.

Waddell and the rest of his teammates will also have a chance to advance to the finals individually, as the top two players in each region not on a top-10 team will qualify.

Senior Ben Pellicani, juniors Kyle Moran and Chas Wagner and sophomore Keita Aoki will also be in the lineup for Bucknell.

Wagner's father, Charles "Chick" Wagner '76, also played in the NCAA Championship for Bucknell in 1975 and 1976, and his uncle, Rob Wagner, played in the NAAs in 1979 and 1981.

This is Bucknell's third appearance as a team in the NCAA Championships. Previously, Bucknell finished 21st in Colorado Springs in 1957 and 25th in Lafayette, Ind., in 1961. Additionally, Bob Kotz (1967), Dave Maier (1972), Frank Root (1974), Mike Chutz (1978), Dave Richards (1979) and the Wagner brothers competed as individuals.

Tucson National is the longtime site of the PGA Tour's Chrysler Classic, the ninth-oldest tournament on tour. The course features a challenging par-72, 7,200-yard layout. Following practice rounds on Wednesday, May 17, 18 holes will be played each day beginning May 18. Action is scheduled to begin at 10 a.m. EDT (7 a.m. in Tucson).

JIM COTNER

- **Head Coach**
- **Fifth Season**

Jim Cotner, for nearly 30 years a teacher, coach and administrator in the Lewisburg Area School District, is in his fifth year as head men's golf coach at Bucknell. Cotner has rebuilt the Bison golf program into one of the best in the East, leading the squad to six tournament titles in the last three years and the 2006 Patriot League Championship crown.

Cotner has been named Patriot League Coach of the Year in each of the last two seasons. This spring he guided the Bison to their first-ever PL title, and in 2005 they finished a close second to Army. Under his tutelage, virtually all of Bucknell's team and individual scoring records have been broken.

A 2000 inductee into the West Branch Chapter of the Pennsylvania Athletic Hall of Fame, Cotner in 2001 retired from Lewisburg Area High School, where he served as the school's director of athletics for 11 years. Since moving to the district in September 1972, Cotner coached the Dragons' boys' varsity tennis team for four years (1972-75), the boys' varsity golf team for five seasons (1982-86), the boys' junior varsity basketball squad for two years (1972-74) and the boys' varsity basketball team for 17

years (1974-90).

A 1972 graduate of East Stroudsburg University, Cotner is active in the local golf scene, as well. For nine years he was president of the North Central Pennsylvania Golf Association, and he is a nine-year USGA Committee Member for Regional Golf Associations.

"Bucknell has produced a lot of tremendous student-athletes from the golf program," said Cotner at the time of his hiring. "Those student-athletes have been very successful upon graduation from Bucknell, and my hope in taking over this program is to get those alums back involved in their own program. We need to continue to recruit that caliber of person into the men's golf program at Bucknell."

Cotner, who is also a former color commentator on the radio broadcasts of Bucknell basketball games, took over for 1960 Bucknell alum and Hall of Famer Tommy Thompson. Thompson retired in June of 2000, following his 44th year associated with Bucknell Athletics and 20th year as head men's golf coach.
