## BUCKNELL ATHLETICS HALL OF FAME

**LISA GIBBONS '95** was Bucknell's first true superstar in the sport of women's soccer, and she holds school and Patriot League scoring records that may never be broken. Women's soccer became a varsity sport at Bucknell in 1990, and in the program's second year Gibbons came along and instantly helped the team to a seven-win season and credibility in Eastern soccer circles. She finished her career with a whopping 66 goals, 35 assists and 167 points. No other Bison player has scored more than 100 points or 39 goals since then.

Gibbons scored 20 goals in 1993, then as a senior in 1994 she logged 19 goals and 19 assists for 57 points, the third-highest total in the nation that year. Gibbons was a First Team All-Patriot League selection three times, was the league's rookie of the year in 1991 and the offensive player of the year in 1993. As a senior, she was named to the NSCAA All-Mid-Atlantic Region Team and was a Christy Mathewson Award winner as the top athlete in her senior class. Gibbons became the first Bucknell women's soccer player to be elected to the Hall of Fame, entering with the Class of 2006.

## THE PLAN FOR BUCKNELL

Bucknell is a unique national university where liberal arts and professional programs complement each other, where 3,400 full-time students are educated for a lifetime of critical thinking and strong leadership. For more than 160 years, the University has remained true to its fundamental purpose: to educate and prepare students for lives that make a difference and have a positive impact on the world.

In keeping with that purpose, the University has developed *The Plan for Bucknell*, which includes its collective vision — "To provide students with the premier undergraduate experience in American higher education." Students helped shape

this vision because of their confidence in the University.

*The Plan* comprises five strategies:

**Strengthen the Academic Core** aims to ensure that a Bucknell education is challenging and engaging, with openness to new ideas and a culture of innovation;

**Deepen the Residential Learning Experience** will provide a residential learning and living experience that complements the academic program, integrates the athletics and recreation program and promotes personal growth and development and civic and ethical responsibility;

**Enhance Diversity** is a commitment to diversity in all its forms within a civil and supportive environment of open exchange to prepare Bucknell graduates to live and work in a globally integrated and intercultural world;

**Build Bridges** will bring the world to Bucknell — through visiting scholars and sports teams, international students and alumni, guest speakers, international focus semesters, and electronic communications — and bring Bucknell to the world through strategic partnerships and community engagement activities as well as opportunities for off-campus study and faculty research;

**Secure Our Financial Future** will secure resources necessary to engage new opportunities, lessen dependence on tuition, and ensure our financial future.

*The Plan for Bucknell* was unanimously approved by the Board of Trustees on April 29, 2006, having previously been approved by the students and faculty. We have begun implementing it and are determined to make it a reality over the next decade. ## THE PATRIOT LEAGUE

In its second decade of combining academic and athletic excellence, the Patriot League sponsors championships in 23 men's and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham and Georgetown as associate members. These institutions are among the oldest and

most prestigious in the nation and their alumni have, and continue to play leadership roles in shaping our country. Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. The League finished at the top spot with 96 percent of its teams reporting a graduation rate of 85 percent or higher in the most recent data. In addition, 76 Patriot League teams earned NCAA Academic Performance Program Public Recognition Awards after posting academic progress rate scores in the top 10 percent of all squads in their respective sports. The Patriot League's mission is simple, to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.
