

BUCKNELL BISON VOLLEYBALL

December 2016

We have reached the end of another Fall season, it was a season of lessons to say the least. We played a tough schedule with a very young squad and although the record does not show, we grew a LOT as a team. We played many five setters, four to be exact, and many other thrilling matches where the score was oh, so tight.

We saw great contributions from our senior class; Kristen Parks, who returned from an injury led our team in digs, Jordan Walker was a constant contributor, and Rebecca Forbes made a difference as a right back defensive force.

Our freshmen continue to

grow and make great contributions and put up great stats in their first season. Sophie Bullard and Bridgette Holland lead us in kills, while Bridgette Holland and Mimi Richards led us in blocks.

Mimi Richards was named Patriot League Rookie of the Week back in August, and Bridgette Holland was named Patriot League Rookie of the week twice (10/04 and 11/01).

That is the program's most rookie awards in one season since it won three, all by Jenna Henderson, in 2004. The future certainly looks bright!

Our goal as a program is to continue to grow AS ONE and make sure we do it with resilience, grit and a growth mindset.

After all if we are able to carry these values onto the volleyball court, and into our locker room, it means that our women will carry these values for life.

For now, our women are focus on finishing the semester strong. Finals start this week and they will be spending a lot of time in the library, 7th Street Café and hopefully blowing off some steam in the weight room and in the gym.

I want to take this opportunity and wish you and your family the Happiest of Holidays!

My best,
Anna

EXTRA CREDIT!

I meant, tax credit! But, now that I have your attention... I want to THANK YOU for your support. I see more and more familiar names that are committed to support and help our BUVB grow! So far we have raised about 15% of our goal—so we still have a long way to go to reach our \$50,000 target- but with your support we will make it another successful year.

BUVB Reading Buddies

It's much more than Volleyball!!

Our team has been taking some time during our busy season volunteering hours at Kelly Elementary school. This past fall break several of our BUVB members got to spend some time at Mrs. Jamieson's kindergarten class and help the children read.
